Coaching Requirement Explanation:

People may wonder why we have established new teammate training to include mandatory coaching of two sessions, each of the Deliverance Procedures and Aftercare ministry appointments. There are two main reasons: 1) Holy Spirit directed us to do that many years ago. 2) Learning about a topic is only one piece of education. Another critical component is for an individual to apply the topic studied so that they may gain invaluable experience and wisdom beyond what they could ever anticipate.

Many decades of ministry have trained us well! We **KNOW** that support and mentoring are vital keys to instill successful teaching and training. We want to ensure that our approved trainees will not only be **READY** to minister using FE's tools and procedures but will also feel **CONFIDENT** as they go forward hand in hand with Holy Spirit as they minister.

8. Once released by your FE Coach, you agree to **pray the FE Deliverance and Aftercare procedures as taught, according to the language written in the most current versions**. You agree that there will no mixing of other ministry approaches or tools during FE ministry.
9. Agree to follow the minister the content of the **"DP Aftercare Ministers' Procedures"** within 3-7 days following the client's deliverance appointment, and b) to provide a copy of the **"Aftercare. Guide to Encounter JESUS"** document to the client. If desired, the aftercare session may be recorded, using the client' phone.
10. Agree that a Scribe will be available to take notes for the client receiving deliverance ministry and the deliverance ministry appointment will never be recorded. Agree to enlist an **intercessor** to pray as you minister deliverance (does not need to be present); and whenever possible, try to enlist caring friends to provide help if necessary.
11. Agree to **submit to the leadership support and mentoring** of the person or team that God has established for your location/region and to **provide immediate feedback of new revelation or questions if** encountered during the ministry.
12. Agree to **stay current with new revelation** as outlined in the Freedom Encounters Team letters.
